

The Enchanted Forest

Hawfields Civitans are happy to open our Enchanted Forest for the 3rd year beginning Saturday December 3rd . It's an outside walk through Christmas experience that will wind through our revamped Haunted Forest. There will be numerous Christmas areas to wander and take beautiful pictures while enjoying thousands of glowing lights.

We are making some changes this year in the Community Area. If you have participated in the past we think you will like these changes. We are bringing your area inside of the forest. We feel this will help protect your display and everyone that visits will see your Christmas cheer.

The second is the new option for you. We know how busy everyone is this time of the year. If you would like to showcase your business but just don't think you can fit it into your schedule to decorate ...we will help you.. For \$100.00 we will provide a 4x6 wooden fence and decorate for you or you can decorate yourself. We will do our best to advertise your business in the Christmas spirit.

If you want to completely set up your display we will assign you a spot in the same community area inside of the forest. This year you do not have to use solar lights, use regular Christmas lights or LED lights. You will need outdoor extension cords and a spot light. If you choose this option you can start after Nov 10th and will need to be completed by Nov 23rd. There is no charge for this option.

If you have a choral group, we would love to offer you a space to provide the community with Christmas music. Please fill out the same information and submit a requested date.

Name of Business/Organization _____

Contact Name _____

Contact Cell Number _____
